

Northwest Education '88' Foundation
2021 Application for LNG Canada STEM Scholarship (\$2,500)

Eight scholarships of \$2,500 are available from LNG Canada: four for Kitimat students, four for Terrace students. Your area of post-secondary study and career goal can be Science, Technology/Trades, Engineering, or Mathematics.

Your school will obtain the **TRANSCRIPT** of your Grade 10, 11, and 12 courses and marks, including interim/April marks. (The transcript must show your nine-digit Personal Education Number.)

If you have not already applied for Local Scholarships, attach a photocopy of your **SOCIAL INSURANCE** card (or a government/employer-issued document including your typed name and the typed Social Insurance number).

Identify the person you will ask to complete the **REFERENCE** (page 3).

Referee: _____

If that person is a teacher at your secondary school, the school will look after obtaining the reference.

If that person is your employer or an instructor at another institution, give the reference form to that person and ask that the form be scanned and e-mailed (or mailed, or dropped off) to reach Katherine Johnsen (Kitimat students) or Robin MacLeod (Terrace students) by May 10. See the bottom of the page for contact information.

APPLICANT _____
Mailing address _____

Postal code _____
E-mail: _____
Telephone home _____ cell _____
Birthdate Year _____ Month _____ Day _____
Career goal _____
Post-Secondary Institution _____
Post-Secondary Program _____
Other information about your plans for post-secondary education and work:

Application due Monday, May 10

>> from Kitimat students to Katherine Johnsen, katherine.johnsen@cmsd.bc.ca, Mount Elizabeth Middle Secondary School, 1491 Kingfisher Avenue, Kitimat, BC V8C 1E9
>> from Terrace students to Robin MacLeod, robin.macleod@cmsd.bc.ca; Caledonia Secondary School, 3605 Munroe Street, Terrace, BC V8G 3C4

What led you to choose your career goal?

List your activities (other than courses listed on your transcript) that directly relate to your career goal.

What do you consider your strengths for success in the future you have planned?

What aspect/s of yourself would you most like to improve?

If your plans do not work out, what is your second choice for a career goal?

The information I have provided in this application is accurate and true. In the event that I am a recipient of this scholarship funding, I grant permission for the award to be published.
