Student Voice

TAKING PLACE DECEMBER 10TH

Student Voice sessions give students in our school the opportunity to learn and collaborate with others within our learning community.

The focus for this session is: **"Today's Pain, Tomorrow's Hope"** based off of the discussion that took place in October around Truth and Reconciliation and the continuous learning that we are doing as a school community.

We are looking forward to expanding our knowledge and growing as a school community with the help of our Haisla community.
