The Parent Advisory Council (PAC) is in dire need of new faces, new ideas and new energy! While we have a wonderful yet small group of parents who have been working hard. We are looking to bring in some more parents.

**Any parent or guardian is welcome to attend meetings.**

### What is PAC?

PAC is a group of parents who meet once a month to talk about funding requests, school events and what can be done to better the time our kids spend at school. The principal and/or vice principal come to every meeting to give information on current school situation, needs and opportunities for PAC to help.

Hi MEMSS Families!  
 Congratulations! Your student is invited to join us on a once-in-a-lifetime international travel experience with their peers to France and Italy during March Break 2023!

This trip will give students the chance to learn by experience - they will expand their perspective of the world around them, discover more about themselves, and grow confident and independent. I decided to offer this opportunity now to give families plenty of time to plan and a chance to lock in the lowest price, and smaller monthly payments.

There is incredible growth that comes with seeing the world, exploring new places and experiencing new cultures - and I'm excited to bring that opportunity to your family and our community.
