Kitimat Scholarship Association

2022 Application for LNG Canada Scholarship - \$2500.00

APPLICANT _____

What led you to your career goal?

List your activities (other than courses listed on your transcript) that directly relate to your career goal.

What do you consider your strengths for success in the future you have planned?

What area/s for improvement can you identify for yourself?

If your plans do not work out, what will you do instead?

The information I have provided in this application is accurate and true. In the event that I am a recipient of this scholarship funding, I grant permission for the award to be published.
