Course Selection - Coming Soon!

The course selection process for the 23/24 School Year will begin in March and we would like to remind students and families to have discussions at home regarding the course selection process. Decisions regarding how many sections of a particular course will be offered, the period/term that a particular course will be offered to reduce conflicts, the purchase of resources, and staffing decisions for the upcoming school year are all influenced by the registration patterns of our students. Once the master schedule is created, course change requests will be limited.

School Counselors will be meeting with students to ensure that their graduation and post secondary requirements are met. Please see our school website or Facebook page to view the course catalogue.

Student Learning Survey

We need your input so we know what is working in the school and what is not working for you and your child/ren!

Please take the Student Learning Survey. How do you have your voice heard?

To participate in the Survey please follow the link:

Student Voice!

On February 23rd students in grades 7-12 were chosen to participate in the Student Voice Forum hosted by Phillip Barron from the SD82 SBO. Students were able to voice their opinions and discuss topics such as motivation to come to school, feelings and frustrations, and things most enjoyable while at school. A big thank you to our students who participated.

The 2023 BC High School Curling Provincials was a great opportunity for me and an experience that I'll remember for a very long time. It was hosted in Terrace this year and between the 7 boys and 6 girls teams that travelled from all over BC, there were so many wonderful people that I got to meet. The connections I made and the fun that I got to have with all those people made the event a once in a life time experience for me.

By: Grace Feduniak

Both teams played a great weekend. The Girl's team took home a Bronze Medal! Congrats on a great season!

Thank you to our coaches, Dave Durrant and Richard Mason!
