MEMSS Travel Club - Welcome Back!

Over Spring Break a group of 30 students, staff, and chaperones embarked on an exciting (and busy) 10 day trip overseas from Kitimat to Montreal, Paris, and Italy.

In Paris students participated in walking and bus tours of The Louvre, Versailles, and ended with a river boat cruise to see the Eiffel Tower.

The group then headed from Paris to Milan by bullet train. They visited many sites including cathedrals, opera houses, and many other interesting buildings with displays of art and fashion.

In Florence our Travel Club visited the Gates of Paradise and Pisa and then finally headed to Rome where there was so much to see - The Roman Forum, The Colosseum, Vatican City, and the Sistine Chapel.

One of the final stops of the trip was to explore the ancient ruins of The Lost City in Pompeii as well as a visit to Sorrento and Capri. Some of our students had a cold dip into the Mediterranean Sea.

There were many unforgettable memories and friendships made throughout the trip. A big thank you to Lissa Waite who was the lead organizer and to all of the chaperones and volunteers that made the trip possible. We are so happy that you had such an incredible experience!
