Loran Awards

Up to 36 Loran Scholars will embark on a transformative journey with the support of a national network. They will benefit from a four-year, comprehensive leadership-enrichment program, diverse opportunities for experiential learning, financial support, one-on-one mentorship, and a lifelong network of values-driven peers and alumni—unlike anything else offered in this country.

- Loran Scholars may pursue undergraduate studies at the following universities only: Alberta, British Columbia (UBC), Calgary, Dalhousie, Guelph, King's, Laval, McGill, McMaster, Manitoba, Memorial, Montréal (UdM), Mount Allison, New Brunswick (UNB), Ottawa, Queen's, Saskatchewan, Sherbrooke, Simon Fraser, Toronto (UofT), Toronto Metropolitan, Waterloo, Western, Victoria, York.
- Loran Scholars must meet university and program admission requirements. To renew the award, Loran Scholars must maintain a B+ (77%) CPGA under a full course load, live independently, including in university residence for the first year of study, and demonstrate growth in character, service, and leadership.

Finalist Awards

Up to 54 one-time awards valued at \$6,000 will be offered to finalists not selected as Loran Scholars for use at any public Canadian university.

Provincial & Territorial Awards

Up to 70 one-time awards valued at \$2,000 will be offered to top candidates chosen by interview committees, for use at any public Canadian university.

Please note: Semi-final Interviews are online. For students without Internet capability at home, we will work with them to secure a location where they can access the Internet. If we are unsuccessful, they will be interviewed by phone. National Selections are held in Toronto and all costs associated with travel and accommodations are covered by Loran.

Being a Loran Scholar has, above all else, meant meeting and interacting with a group of vastly dynamic, diverse-thinking students and leaders. Engaging with this community inspires me to rethink my certainties, think deeply about my actions, and take action in our community. In addition to the network of scholars, the opportunity to connect with staff, mentors, and supporters passionate about the potential of youth lights a fire in my heart.

Jack Gilles, 2022 Loran Scholar
